

OVERVIEW

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on 1 school census figures for pupils registered as eligible for FSM in reception to Year 11. More recently Ever 6 funding has been introduced to allow schools to claim funding for children currently on roll who have been on FSM at some time in the past 6 years. For looked after children the Pupil Premium was calculated using the Children Looked After data returns (SSDA903).

A premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils.

The Pupil Premium is additional to main school funding and it will be used by this school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

OBJECTIVES FOR PUPIL PREMIUM IN THIS SCHOOL

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils
- The funding will be used to narrow and close the gap between the achievement of these pupils and their peers
- As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupils Premium and others
- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

2015 / 16

- In school we had 60 'Ever 6' pupils had an entitlement of £1320 per year.
- School received £79,200 additional funds.

KEY BARRIERS

Disadvantaged pupil group: Delayed speech and language, high mobility, disrupted education due to challenging home circumstances, multiple school moves, challenging behaviour /unsettled behaviour, specific gaps in learning

Disadvantaged -more able group; low expectations/ limited broadening horizons experiences

STRATEGY FOR USING THE FUNDING;

The school has looked carefully at the needs of each pupil and identified specific barriers. For maximum impact and value for money, we have grouped the children into low, medium and high (more able) groups and used best practice research and our bespoke knowledge of pupils to identify specific strategies that will raise pupil outcomes. "Education Endowment Trust and how schools spend the funding successfully to maximise achievement" document 2014.

- Providing one to one and/or small group work for pupils entitled to PP funding with an experienced qualified teacher and or teaching assistant focussed on diminishing gaps in learning to help them make improved progress and to raise their standards of achievement
- Acquiring effective materials for pupils entitled to PP funding aimed at raising standards, particularly in reading, writing and mathematics.
- All our work through the pupil premium will be aimed at accelerating progress moving pupils entitled to PP funding to at least age related expectations, specifically in Literacy and Numeracy but also across the curriculum, within the wider school curriculum and providing additional challenge for the more able.
- Pupil premium resources will also be used to target able pupils entitled to PP funding and others to achieve ARE and Working at Greater Depth at the end of KS1 and KS2
- To use specialist consultancy support to develop staff teaching strategies for targeted support within the core subjects and the wider curriculum.
- To support specific children with interventions such as Reciprocal reading, Read Write Inc intervention, Inference Training, targeted writing / spelling programmes and pre and post teach tuition.
- To support specific children's pastoral development with first response offer, Pupil wellbeing and Health with our nurture provision.
- Attendance and punctuality; Educational Welfare Support

A rounded summary of expenditure includes

DETAIL	£
Additional staffing at pastoral / intervention level	46100
Additional reading support	5000
Maths Resources	2500
Educational Welfare Services	3600
Trips and enhancement days (including residential)	9000
Resources including Read Write Inc training	7000
Booster Support (Y6)	1000
Consultants / EP / Counselling services / LSS	5000

EDUCATIONAL OUTCOMES IMPACT

- The percentage of children overall passing the Year One Phonics screening check is 91% which is above LA and National averages. This is an improvement on 2015 (880%) and demonstrates the school has sustained its upward trend.
- The achievement in phonics of pupils benefitting from pupil premium intervention strategy is above national but still below all pupils
- At the end of KS1, 62% of pupils are at ARE in RWM, this is below national average. Pupils in receipt of pupil premium attained above national averages in reading and writing and above all other pupils, maths was below national but above all other pupils.
- At the end of KS2, pupils' attainment overall and at ARE combined 62% and by subject Reading: 75%, Writing: 75% and Maths: 81%, these are inline or above national averages. In reading, writing and maths our pupil premium children achieved above all other pupils, similarly in reading and writing pupil premium children achieved above national average but in maths this was below.

2016/17

- In school we had 64 'Ever 6' pupils had an entitlement of £1320 per year.
- We also have 2 services children with an entitlement of £300 each
- School received £85,080 additional funds.

The school has looked carefully at the needs of each pupil and has decided to use the following intervention strategies: In line with the school's Charging and remissions policy, additional money put towards school trips and enrichment programmes. Additional Learning Support Assistant hours to enable targeted support. Nurture provision and booster teacher sessions. Resources in line with need across subjects. Educational Welfare support
