17.10.17—Year 6 Literacy Shed

19.10.17—Year 5 Bikeability

Other events including Christmas activities see school website

Welcome

It is lovely to see everyone back in school and already working so hard. The building work is now complete and the staff have put in lots of hours ensuring that the environment now looks its best.

I know we will have a great year ahead at Longton Lane and we all look forward to working in partnership with all of our parents and carers so please do not hesitate to contact school with any worries or concerns.

Celebration Assembly

As you will be aware from our text service we were unable to have parents at our celebration assembly this morning due to training. We look forward to next Friday when we will resume normal service with the assembly being held in the KS1 hall at 9.00. For our new Reception parents at first your children will not be attending assembly, just while they settle, but in a few weeks when they are ready we will notify you and you may be able to join us if you are free on a Friday

Uniform

It is lovely to see how smart all of the children look in their uniform and thank you for your support in ensuring all the children have the correct uniform including PE kit. We would just like to gently remind everyone that school shoes should be black and sensible in fashion with no trainers. This is in keeping with all other schools in the local area and with high schools now sending children home for incorrect footwear it is good to get them into the habit at primary school. For the girls thank you to everyone who has kept to the colour scheme for hair accessories, gain just as a reminder uniform can include wearing bows but red, grey, white or cream fit with the uniform and look so smart – we hope you agree.

Change of Contact details—

Please return to office - to keep our records up to date in case of illness etc.

Info may be shared with external parties, such as Health (We will use these details when school staff (including health staff who work in school) need to work with your child and contact you about your child)

Child Name _____ Class _____ Home Tel _____ Mobile _____

Address _____

Email _____ Sign _____ Date _____

Homework

By now all children will have a planner and a reading book from their teacher. Please try to read each evening with your child, whatever year they are in this is both beneficial and enjoyable for us as parents. Homework will start from the week beginning 25th September as we have made some changes following our last parent questionnaire when some parents thought there was not enough homework and some thought there was too much – we know how busy family life and so we have tried to balance this for everyone. Details will follow shortly, please look out for the text.

SCHOOL MEAL COSTS

School meal 's cost £2.30 per day, £11.50 per week as ever, please send in payment on the first school day of the week and ensure your child's name and class are on the envelope.

Y6 Trip to Kingswood

Letters have gone out today regarding the next

Payment and for parents who would like their child to attend but have not yet signed up. Please see office staff if you would like to reserve a place.

Census Day Thursday 5th October

Our kitchen is a serving special treat of sausage and mash and a muffin for dessert on 5th October. We and we would like as many children as possible to try our fantastic and parents to confirm with the office if their child would like a meal
