SCHOOL CLOSURES THURSDAY 21st DECEMBER

SCHOOL SPIDER APP

Letters have been sent home this week with login details for the school app. If you did not receive a letter or have any problems logging in please come into the school office.

Within the next two weeks we are aiming to start use the app for text messaging and will stop using the schoolcomms text service.

Therefore it is important that you have the app ready to use.

After the 17th November the newsletter will no longer be printed off in paper format but will be available to look at on our website.

Progress update on PTA

After some really positive meetings about how to begin to build a recognized supportive community at Longton Lane through the PTA, we have now created a FB page and already have over 40 members! Cath and Tracy will be standing at the gates of the school on Monday 13th to collect names to add to the group should you wish to follow what we are all hoping to do and even offer helping hands in the smallest of ways. In order to build awareness of events and thoughts on how to build this group, it would be wonderful if more parents and guardians could 'like' the page and become connected in this way. In addition to this, should you wish to speak to someone about it, learn more or offer thoughts or just have a friendly chat with Tracy and Cath, they will also be in the KS1 Hall on Friday 17th November.

Face book page: FRIENDS OF LONGTON LANE.
