A huge thank you to our PTFA and all of our parents who support their work from everyone at school for the new playground equipment.

For those people lucky enough to be at celebration assembly I think the children's response said it all and for those who were not there their excitement and appreciative applause filled the room.

Here's to many more events, continued support and further enhancing our school for the children.

... Stop press....stop press....Stop press....stop press....Stop ..

School has had an update from our local councillors with good news about our school crossing patrol. Joe D'Asha put forward for this to be funded from the Councillor Improvement Fund and we have heard positive news that this has been agreed. This means that Tom will remain in position from September for a further 12 months. This is excellent news for the safety of the children and allows the school further time to find funding for the future.
