

Retention of Records Policy

Longton Lane Primary School recognises that by efficiently managing its records, it will be able to comply with its legal and regulatory obligations and to contribute to the effective overall management of the school. Records provide evidence for protecting the legal rights and interests of the school, and provide evidence for demonstrating performance and accountability. This document provides the policy framework through which this effective management can be achieved and audited.

Longton Lane Primary School has adopted the Information Management ToolKit for Schools created by the IRMS (Information and Records Management Society) and adheres to its principles and guidance. A printed copy of the retention schedule is attached as Appendix 1 to the hard-copy of this policy.

1. Scope of the policy

- 1.3 A small percentage of the school's records may be selected for permanent preservation as part of the school's archives.

2. Responsibilities

- 2.1 The school has a corporate responsibility to maintain its records and record keeping systems in accordance with the regulatory environment. The person with overall responsibility for this policy is the headteacher.
- 2.2 The SBM will give guidance for good records management practice and will promote compliance with this policy so that information will be retrieved easily, appropriately and in a timely way. They will also monitor compliance with this policy by surveying at least annually to check if records are stored securely and can be accessed appropriately.
- 2.3 Individual staff and employees must ensure that records for which they are responsible are accurate, and are maintained and disposed of in accordance with the school's records management guidelines.
